For arguments sake we will say that many makes of popular clothes for men and young men use the same excellent materials in their clothing that is found in

### ADLER'S "COLLEGE" SUITS

Still! what is about them from others?

Why! have they become the popular clothes for popular fellows?

### Because

They are genuinely young mannish, patterned for the young man's mind, designed for the taste, shaped for the young man's body.

### THATS WHY THEY ARE DIFFERENT

### KEITH NOTES.

A Happy New Year to the editors and readers of the TRIBUNE

Miss Emma King returned home last week from her visit to relatives at Devon, Kans.

Nearly four weeks of winter weather is something unusual for Missouri, which is noted for its sudden changes.

Wm. Wheatley left on the noon train Tuesday for Johnson County a few days visit with relatives and old friends.

Turkeys are getting to be a luxury, poor folks can't afford to buy them. Several years ago we sold turkeys at 50c per lb. on foot and 70c when dressed. They were selling for 25c per lb. at the butcher shop the other day.

James Rand is home from the University of Missouri on a visit, enjoying country fare and eating mother's cooking. He says he is getting home sick.

Mrs. Ratchin who has been quite sick the past ten days is improving, we are pleased to learn.

Sam Fleming and cousin Bob Benham left Thursday for Ripley Co. Indiana on a two weeks visit.

W. T. Borron went to Foster Friday to visit with Mr. and Mrs. Jake Thomas and wife. Will Thomas and wife of Fairview were also there with a big fat goose for the Xmas dinner.

Ben Rand and several other farmers are going to have a hog killing time this week, guess we will visit a few days.

Rev. Starring preached a good sermon Sunday morning at the Baptist church in Rich Hill. Subject: "A Christmas Gift," text from James 1:17: "Every good gift and every perfect gift is from above." Rev. Starring is a plain forceful speaker and we are sure the Sunday School scholars (the sermon was principally to them) have a much better conception of God as the giver, Jesus the gift, and God's love for us.

J. A. Borron heard from his son Leo of the arrival of a fine baby girl, a Xmas gift to Mr. and Mrs. Lee Borron of Wapiti, Wyo., the young lady arriving Dec. 24th. Grandpa Borron is so pleased we doubt if he can wait until next summer to see the little granddaughter.

### GRIFFITH NOMINATED.

Harmonious Republican Convention Names Their Candidate for Congress in Our.

At the Republican Convention at Butler last Tuesday H. N. Phil. S. Griffith of Greenfield, Dade Co., was nominated to succeed the late Congressman DeArmond of this district.

Phil Griffith, whose speedy nomination indicates harmonious party action, in marked contrast to that of C. D. Dickinson, his Democratic opponent, who was chosen here last Friday after four days, during which 675 ballots were cast, is editor of the Greenfield Vidette, the oldest Republican newspaper in Dade county, established by his father soon after the close of the civil war. He is 37 years old and has long been active in county and district politics. He is chairman of the Dade county Republican committee. In 1908 he was a delegate to the national convention.

At ten o'clock this morning the delegates were called to order by J. A. Overby of Henry county, chairman of the congressional committee. Bates county was represented by 11 delegates; Dade, 8; Henry 12; Johnson 12; St. Clair, 7; Cass, 9; Cedar, 7.

After the invocation by Rev. W. K. Chappin of Adrian and a welcome address by Mayor Williams of Butler, Chairman Overby addressed the convention. The temporary officers, W. L. P. Burney, chairman, of Harrisonville, and G. Boissacau, secretary, of Warrensburg, were made permanent. The resolutions, presented by O. L. Houts, were brief, congratulating the country on its general prosperity, endorsing the state and national administration, and expressing deep sympathy for the family of the late David A. DeArmond.

On the roll call for nominations Bates, Cass and Cedar counties yielded to Dade. A. J. Young of Dade county in a short speech presented the name of Phil S. Griffith of Greenfield. G. W. Schwear of Henry county, who had been talked of as candidate, seconded the nomination. Johnson county yielded to Dade county. W. W. Lawton of St. Clair county, who was also earlier considered a candidate, speaking for his delegation, threw his support to Griffith and also seconded the nomination. On the motion of R. J. Grover of Johnson county the nomination of Griffith was made by acclamation.

The election in this district is set for February 1, 1910.

Mrs. Mary Fry, who is living in Summit township, spent the holidays in this city with her parents.

Miss Agnes Watson went to Parsons, Kansas Friday to spend Christmas with Misses Rhett and Amelia Forrer.
